

Concept to Reality...

Unleashing Architectural Marvels in Steel Roof and Wall Cladding!

Tata BlueScope Building Products

Tata BlueScope Building Products is a business division of Tata BlueScope Steel, an equal joint venture between Tata Steel and BlueScope Steel, Australia, in the field of coated steel, steel building solutions and related building products. The company operates in the South Asian Association of Regional Co-operation (SAARC) region. It maintains high standards in the area of Safety, Health and Environment; and has been certified by UL MMS India for ISO 9001:2008 as well as for ISO 14001 & OHSAS 18001 certificates.

LYSAGHT® Brand

Tata BlueScope Building Products caters to the B2B segment with its flagship LYSAGHT® brand. The brand offers a wide range of premium roof and wall cladding profiles, structural products and accessories to the industrial, infrastructure and commercial segments. The brand has a strong legacy of over 150 years and been a part of various architectural and heritage buildings across the globe.

Over the years LYSAGHT® brand has been associated with strong customer focus coupled with high-quality products and innovative designs. The brand's product superiority is well complemented by Tata BlueScope Building Products' expertise in offering customised solutions for various applications.
